**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose my competitive provider for internet because they are HALF the cost of At&t and they have accurate billing. At&t had unnecessary charges just about every month that I had to call and dispute. Even with recorded information on terminating services, they still billed me for advertising. I had to continually report them to the communication commissioner's office. My local provider has reasonable charges, great services and immediate help when I need them.
